## THE LORD'S SUPPER

Our congregation celebrates the Lord's Supper every Sunday. We practice open communion, which means anyone who accepts Christ as Lord and Savior may participate.

This congregation is a part of the Christian Church (Disciples of Christ). Our roots come out of a church movement in the early 1800's that sought to emphasize the oneness of the body of Christ, and to avoid division in the church. We prefer to lift up what makes us like other Christians, rather than what makes us different, although we recognize those differences.
